

SHENGWEI PRECISION TW

ShengWei Precision TW ,

Started at 1971, we made over 10,000,000
components pcs.

ABOUT US

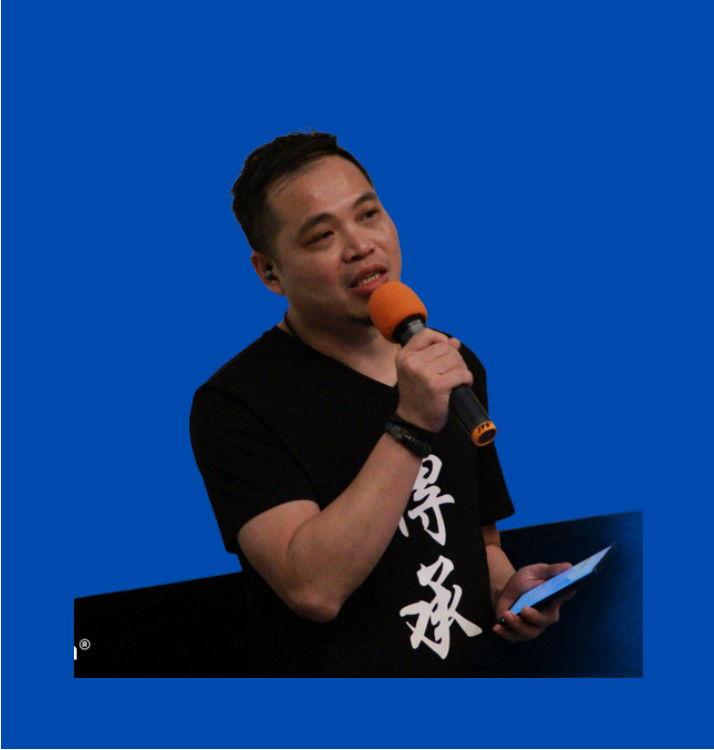

Shengwei Precision has been well-known in the CNC industry since 1971.

We work and aim on medical industry and precision industry.

To this end, Shengwei Precision Co. had to refit and upgrade equipment to make our factory capable and effective to meet the technological requirements of this field.

With ingenuity and great trust in this change stage, we transferred our knowledge and experience to a new industry successfully.
